Role of the Rep and the Organising Agenda.

What is the role of the school rep? What rights do you have? Are there any responsibilities involved in the role? How does the school rep fit into the union's organisation? An essential briefing for all reps, old and new.

Reps' Open Forum

What's happening in your school? What are the "big issues"? This is your chance to swap experiences, find solutions... and help build teacher confidence & Union effectiveness in every school.

Teachers' Pensions

What are the issues? How will the changes to the Teacher's Pension Scheme affect you and the members in your school? What is the union doing about it? How can you contribute to the campaign? With a day of action only a week away, get the latest information hot off the press.

Performance Management

What are the new rules on performance management? How many observations can we expect? What constitutes a reasonable set of targets? Find out what your member's rights are.

Competency

What are the authorities policies on competency? When does a support programme become a competency procedure? How far you as rep go to support your members? Constructive advice given by trained staff.

Sickness and Absence Policy

What is the authority's policy on sickness and absence? What support are we entitled to? How do we deal with these issues within school? Practical advice on dealing with these issues sensitively.
