

- ✓ We'll be organising a dinner to welcome NQTs, new Union members, newly appointed colleagues – and to say thank you to our School Reps. This is a very popular event. If you fit any of the categories (or if your school doesn't have a Rep and you'd like to take it on) make sure you book early. Guests welcome by arrangement. The National President will attend.

*These are just a few of the things the union has to offer directly to members this term. If you need our help, advice or support in any way, do not hesitate to phone or email us. Normally you will get someone immediately, but if not we will do our best to get back to you within 24 hours. We aim to make teachers powerful – individually, in school groups, across the County and the country. We'd welcome your ideas and help in making this happen.  
I hope to see you during the term!*

## **SOME LOCAL NUT EVENTS**

### **School Reps/ Health & Safety Reps Briefing – 21<sup>st</sup> November 2008, Cromford Mill**

*Representatives are entitled to release from school to attend these events. Each year we run a briefing session on the big issues of the day facing teachers – and how the union can help members directly at school. If your school does not have a rep, but you want to find out more, why not come along? We'd like to see every school represented. Tea, coffee and lunch provided. Contact the Office to find out more, and how to make the necessary arrangements.*
