***But Make Sure You Vote***

*Dear Derbyshire NUT  
colleague,*

On 5<sup>th</sup> September. Following much lobbying of MPs, press activities and consultation with members, the NUT National Executive decided to re-ballot members of further action over government refusal to better the 2.45% pay increase.

It is crucial that you give your view in order that the National Executive has a clear mandate for its further deliberations.

**We recommend:**

Vote YES in the ballot.

But please make sure you vote!
