

# Ballot for Strike Action

Between 6<sup>th</sup> October and the 3rd November, the National Union of Teachers will be balloting its members for industrial action on the subject of pay.

**We urge you to vote YES in this ballot**

## What the Government thinks you're worth

September 2008  
increase of 2.45 per cent

September 2009 and September 2010  
further increases of 2.3 per cent

*And all this after year on year of increases  
below the rate of inflation*

*The Government even refuses to honour the  
agreement to review the 2006 and 2007 pay  
increase if inflation rose beyond 3¼%*

**The NUT thinks you are  
worth more.**

Our claim is to at least match inflation. *Is that so unreasonable?*

Remember, when your ballot paper  
arrives,

**Vote YES**
